| US | 6 | 8 | 10 | 12 | 14 | 16 | 18 | 20 | 22 | 24 |

How to Measure

Your Waist

- Please measure waist with button and zipper done UP
- With band pulled out firmly measure one side to the other using inches or centimetres. Our jeans will not shrink, they will give a bit after being worn for a short time so best to start firm.
- Double the measurement = Your waist size.
